

The Brain Institute
Colleyville, Texas
January 12, 2010

TheBrainInstitute has an opening for a Neurotherapist to join our team. We are looking for an experienced practitioner that is BCIA certified and has experience in psychological and cognitive testing.

We operate a state of the art facility that co-exists within a very large medical family practice. We are looking for someone who works well in a fast paced environment that has direct experience with patient care. The position does require working on Saturday as well as evening hours during the week.

Salary and benefits are negotiable depending on experience. Interested parties should mail a resume to jaime_ellis@hotmail.com.
